Kanyashree University Academic Campus

KANYASHREE UNIVERSITY

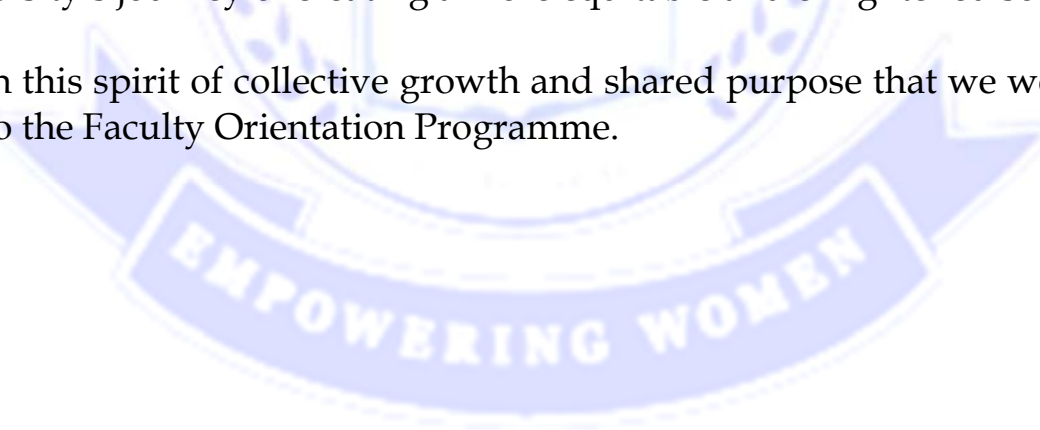

কন্যাশ্রী বিশ্ববিদ্যালয়

INTRODUCTION

Kanyashree University stands committed to the ideals of women's empowerment, social progress, and inclusive education. Established as the second women's university in West Bengal, the institution envisions young women as reservoirs of energy, talent, and potential, whose growth can reshape the future of society. Guided by this vision, the University strives to provide world-class education, nurture intellectual curiosity, and create a vibrant teaching-learning environment where academic excellence, cultural heritage, and social responsibility are harmoniously integrated.

The Faculty Orientation Programme reflects this broader mission of fostering a holistic and forward-looking academic culture. By strengthening pedagogical skills, deepening institutional values, and encouraging innovation in the classroom, the programme supports the University's goal of empowering women through knowledge, skill development, and character-building. Aligned with the Vice-Chancellor's commitment to building robust academic infrastructure and promoting inclusive learning, this initiative enables faculty members to contribute meaningfully to the University's journey of creating a more equitable and enlightened society.

It is in this spirit of collective growth and shared purpose that we welcome you to the Faculty Orientation Programme.
