C) Admission Process Flow and Guidelines

1. Merit Calculation rules and Selection for Admission:

a. Evaluation Type: Semester Scheme SGPA

The selection will be made strictly on the basis of merit which will be calculated as follows:

Merit Point (SGPA) = Average SGPA x 10

Average SGPA = Total SGPA obtained in the qualifying degree / Number of semesters completed

b. Evaluation Type : For Annual System / Marks based System :

Aggregate Percentage(%) of Marks=(Total obtained Marks)/ (Total Exam full Marks))x 100

Merit Point (%) = Aggregate Percentage (%) of Marks

2. Reservation Rules:

2.1) Reservation policy will be considered as per orders issued by the Govt. of West Bengal.

2.2) Only candidates permanently residing within the state of West Bengal will be eligible for availing reservation.

2.3) 5% of each category (Unreserved and Reserved) will be reserved for PWD candidates. In this case, merit list will be prepared on the percentage of disability. In case of non-availability of PWD candidates the seats reserved for PWD candidates of the particular category will be converted to that Category only.

2.4) Candidates applying under reserved categories must produce valid certificates issued by the competent authority during document verification. Only candidates with valid and verified supporting documents shall be considered under the respective reserved category.

3. Provisional Admission and Payment of Fees

All admissions shall be provisional until successful verification of original documents and fulfilment of all eligibility criteria.

Candidates provisionally selected for admission must complete the admission formalities, including payment of prescribed fees, within the stipulated time. Failure to complete the admission process within the notified period may lead to cancellation of the allotted seat.

Payment of admission fees does not by itself confirm final admission. Final admission shall be subject to verification of eligibility, documents, and other conditions prescribed by Kanyashree University.
